RE: Wilcox Oil Superfund Site--Request for Extension of the 14 Day Response to Enter into Good-Faith Negotiations

Dear Ms. Brown:

The EPA Region VI has received your request to extend the required 14-day response to enter into "Good-Faith Negotiations." Based on your phone conversations with the EPA's Assistant Regional Counsel Marvin Benton, I am going to grant a one-time extension of the 14-day response until Monday, November 10, 2014.

No later than Monday, November 10, 2014, please have your respective client (Sunoco/PRP) inform the EPA's Assistant Regional Counsel Marvin Benton by written letter or email whether they are going to enter into "Good-Faith Negotiations" with EPA to perform a Remedial Investigation and Feasibility Study at the Cedar Chemical Superfund Site.

Please be advised that this is a one-time extension and no further extensions will be granted regarding the 14-day response to enter into "Good-Faith Negotiations."

If you have any additional questions please contact Mr. Benton at 214-665-3190 or via email at [Benton.Marvin@epa.gov](mailto:Benton.Marvin@epa.gov).

Sincerely Yours,

Carl Edlund, P.E.  
Director  
Superfund Division
